Important changes for the show in 2020

For this edition of our great event in Tiel it is important to inform you about some important changes. These are all things that we implement to ensure the future of our event and also the welfare of our guinea pigs.

We therefore ask you to carefully read these things below.

- You must transport all your animals in clean, spacious and well-ventilated means of transport. This applies to the registered show animals, but also to your sales and reserved animals.
- You must provide all your animals with food (pellets, hay and/or green food) **AND** water supply (this can be a water bottle or water bowl). We ask you to remove any material (such as tie wraps) after the exhibition.
- Animals will be sold from exhibition cages, no longer from individual boxes / crates / trays. For an explanation, see under "sales cages".
- If you cannot agree with these changes, the exhibition committee reserves the right to refuse you as a participant. This applies prior to our event and also on the day of the event itself.

Sales cages

From now on it is no longer permitted to offer animals from means of transport (such as transport boxes, boxes or travel baskets) at our exhibition. All this from the point of view of animal welfare and better control thereof. It is possible to reserve a sales cage (size 50x50cm), suitable for 2 adult or 3/4 young guinea pigs. A maximum of 2 cages can be reserved per entrant / address, you can indicate this on your registration form. Costs are € 2.50 per cage.

A total of 72 cages are available, **full is full!**

Advertisement Catalogue

You have the possibility to place an advertisement in our Catalogue. The Catalogue comes in A4 format. A whole page / A4 for € 10.00, a half page / landscape A5 € 7.50 and a quarter page / portrait photo size € 5.00.

Submitting before 11 april 2020 and most preferably as photo or PDF file.

Barbeque / BBQ

The showcommittee would love to organize a barbeque afterwards, so we can enjoy a meal with the participants. You do not need to travel, as this will be held at the show location. Your cavies can stay in their travelboxes in the showroom. We will arrange a meal with different kinds of meat, bread and salades (when you are a vegetarian, please let us know). We hereby invite all that would like to join us at the BBQ. Costs:: € 15,00 p.p.

No member of the NCC?

Because this show is one of our clubshows, you need to be a member of the NCC (Dutch Cavy Club). This only applies for the breedjuding, not the pets. Should you want to try a first time for our show and do not know if you want to be a member. No problem! Non-members are offered a one time membership fee entry at our show. We do however ask for a small fee of €5 on top of the entry fee. This way you are a "member for a day" and your animals will be judged just like all other exhibits and your exhibits will compete for all awards and Best in Show. The yearly membershipfee for the NCC is €15 for the first year €10 for the years after this. Should you like our show and want to participate for next year, you can pay the membershipfee and this way you can enter for all NCC shows. The yearly membership needs to renewed each year.
